new process of Mr. Jounson, will be exhibited the 20th inst., aged 71. He was in active serat the Pennsylvania State Fair. Many attempts vice the greater part of his life .---- Mr. John have been made within the last few years to Northrop, aged 75, died in Dallas City, Ill., Ausuccessfully improve upon the old method of gust 29th. He removed from Connecticut to tanning. Most of the improvements which have Trumbull county in 1815, where he lived for been brought before the public, have proved of over farty years. Many of the oldest settlers but little consequence. For several years Mr. of Ohio will remember him as a good neighbor Horace G. Jouxson, now a resident of this city, and one who loved to see others happy .has been experimenting with a view to improve Walter Hopkins, one of the editors of the Nex upon the old process of tanning leather, and quite recently he has met with decided success. His process is peculiar to himself, and in but few particulars reaembles that of she old. The few particulars resembles that of the old. The last, of East Bridgewater, Mass., and on the grand feature in his improvement is, that in tan-ated at Brown University in 1805, and during ning leather he uses no back! Time, which is
the principal objection to the old method of tanning, is by the new process nearly annihilated.

Bit is filled many important State offices.

Dr. Timothy P. Beers, a noted New Haven
physician, died on Wednesday. In the war of
1812 he was for a while attached as entreon to By Mr. Jourson's process it requires but one a Connecticut Regiment at New London day to tan sheep skin, six to tan calf, and the largest raw hides are made into leather in twenty or thirty days. By this process of tanning the expense of manufacturing leather is re-

Several tanneries we are informed are now in successful operation which are being worked by this process; and a large one has been lately cess, and from what we hear the leather is de-chusetts, who manumitted Dred Scott, and the tanning business.

The Maryland Slave Holder's Meeting. Human chattels have become so prone to take to their legs and run away in portions of Maryland that the owners recently held a meeting at Snow Hill to devise means to stop the dispofree their slaves and to pay them suitable wages came fore. Theo. G. Glaudinsalen, N. Y.
When Capt. Waters of the Prince Albert as-

certained that twelve of the Austria's survivors had arrived, he kindly offered all a tree passag and detained the steamer for the purpose of lowing them to embark. Ten of them availed themselves of his generosity and sailed for New York on Friday at 5 P. M.

Drowsen.-The body of a drowned man, much decayed, has washed ashore at Put-in-Bay Island. It is supposed to be that of Mr. McCurron, of Toledo, who is thought to have been lost from the Bay City on her return from the 10th of September celebration. The Sandusky Register learns that Mr. Daniel Davis, of Clyde, Sandusky county, who was on the Queen City on her return from the celebration, has not since been heard of. It is feared that he also fell overboard and was drowned.

CHOPS IN HURON.-The Reflector states that over one half of the corn in Huron and adjoining counties is out of the way of the frost, and thinks there will be more sound corn raised this year than there was last. The potato crop will be fair, and a much better yield than was anticipated a short time ago. The apple crop is decidedly slim, as compared with former years, but will also yield more than was anticipated a month ago.

CORN IN LARE. - The Painceville Advertises says :- " Our farmers have commenced cutting up their corn. It has filled and ripened finely The crop was never heavier or better."

A Knowing Dog .- At Trenton, Mich., last ever, was such, that the train could not be checked, and the death of the child seemed in-

The nomination of J. W. GRAY, for Congre was so cute and sly a trick that the good peo via Southampton to New York, sailed on the ple of Painesville had not the slightest idea that New York until 1836, when he lost a portion 4th inst, and was burned at Sea, Sept. 13th, their pretty village had been honored by the presence of a Democratic Congressional Convention, until they saw the announcement and nomination of Gray in a telegraph dispatch to in New York on Friday. He was a son of the late Lieut. Gov. Pitcher, of New York. — Mrs. The cabin passengers numbered something over to the Cleveland evening papers? So we are informed by a Painesville ex editor, who still carries both ears open for the news. The fol-

sional District: On the 12th day of October next you as and their savage allies, the family buried what articles they could not carry in the sand, and atives in Cincinnati. The accounts by telegraph District in the Congress of the United States. The answer is "no proportion of the six hundred persons on board It is true that one J. W. Gray has been put for ound burning or watery graves.

Let us examine his posi-Halifax Sundry afternoon, with twelve of the sixty-seven surviving passengers of the Austria, taken from the bark Maurice, on the 14th of The tribute of the bark Maurice and the termine. For his many tergiversations towards the Democratic party, President Buchanan removed him from the office of Pestmaster at September. The telegraph account of the burn- Cleveland. Since that time Gray has been wandering about in a state of political vagrancy-At a little after 2 o'clock on the 13th dense volumes of smake burst from the after entrance of the steerage. The ship was instantly put at half speed, at which she continued until the magazine exploded. The engineers it is inferred were instantly suffocated. Fire was next seen breaking through the lights smidships and traybreaking through the lights amidships and traveled aft with fearful rapidity. Some persons let down a beat from the port side of the quarter deck and they were thought to be crushed un down a beat from the port side of the quarter deck and they were thought to be crushed under the serew.

An attempt was made to launch a boat on the starboard side, but it was swamped from the numbers who rushed into it, and all were lost. All the first cabin passengers were on the poop except a few gentlemen who must have been smothered in the smoking room.

They demanded the nomination of this Gray from the Central Committee of Lake Co., a number of whom are Government officials, made by Gray's former political influence. This Committee seconded the nomination. They then not control the Committee of Committee of the Committee of Committee of Committee of the Committee of Commit

> public the doings of this Convention, and see if Democrats are bound to vote for its nominee. Daniel I. French, a member of the Convention offered the following resolution:
> "Resolved, That we fully and cheerfully in dorse the course and policy pursued by the pro-ent Administration of the General Governmen —while we should rejoice with unspeakable joy, to see Stephen A. Douglas slide into politi-cal obscurity."
>
> David R. Paige moved that Mr. French's re-

solution he laid on the table or under the table he did not care which. Mr. Paige's motion was four men were picked up floating on a piece of broken boat.

The 2d officer was taken up, having been swimming for six hours. He and the 3d officer were severely burned. One male passenger was severely burned to these slightly. There were but six women saved, three of whom were but six women saved, three of whom were burnt.

Against this resolution, Landon Smith, Poss master at Painresille, Geo. Frank, P. M. at Kirtland, H. H. Baker, Lighthouse keeper at Fair port, Harcy Abel, Inspector of the Customs at Fairport, David Russell, Deputy U. S. Marshal, all Government officials, made by Grays former political influences, with Horace Steele, Jr., agent for Gray's Plain Dealer in Lake Co. Are National Democrats bound to vote for nominces of such a Convention! I say not and put a Democrat in nomination. Lake Co.
